### Professional Experience:

Attorney with 6 years of solid experience in data protection and digital law, labor, civil, and consumer litigation. Recognized for developing and implementing effective and innovative legal strategies for contemporary legal challenges. Skilled in solving complex problems and working collaboratively to provide high-level consultative and preventive legal advice. In data protection, I conduct risk assessments and develop privacy policies ensuring compliance with laws like the LGPD. In digital law, I provide innovative legal solutions in areas such as IT contracts, digital copyright, and e-commerce.

With a strong performance in legal liability analysis and compliance, I ensure that organizations comply with current regulations, minimizing risks and promoting responsible practices. In the field of education, I teach Digital Law, significantly contributing to the professional development of students. Solid editorial experience working in the review and layout of various legal works.

### OAB Commission and Editorial Board:

Active member of the Permanent Commission for Technology and Innovation of OAB/BA, contributing in LGPD and Metaverse, and coordinator of the Artificial Intelligence area. Experience as an editorial advisor at Editora Navida.

### Initiatives and Continuing Education:

I am the creator of Lantyer Educacional, a website dedicated to simplifying legal topics in an accessible and comprehensible manner. Additionally, I am always seeking improvement, having completed courses at Harvard University () , Yale () , USP () , FGV () , Pennsylvania () , and Lund (Sweden ) .
